SAN DIEGO (CBS 8) - Saturday is 'National Dance Day', so the students from [Neisha's Dance & Music Academy](#) in Chula Vista are showing off their moves, telling us about upcoming dance events open to the public, which benefit charity.

"Culturally the arts bring people together, and coming to big community events is a hot ticket," Neisha Hernandez, Neisha's Dance & Music Academy said.

A free event for kids to experience will be given Saturday morning, which includes a 'Frozen' inspired camp and a Sleeping Beauty Ballet camp.

Watch CBS News 8's Ashley Jacobs with Neisha's students as they show us moves we can all do to look cool at our next party!
